

DRUG & ALCOHOL TESTING INDUSTRY ASSOCIATION

# DATIA

## MEMBERSHIP

*THE SMART CHOICE*

**DATIA.ORG**

# OUR MISSION

- **To promote** the highest possible standards of professionalism and quality control in the drug and alcohol testing industry, and develop and oversee education, certification, and accreditation programs for the drug and alcohol testing industry;
- **To serve** as the coordinated voice for the industry on regulatory and legislative matters of drug and alcohol testing and collection issues as well as drug free workplace regulatory issues;
- **To serve** as a body for discussion and resolution of common problems and issues affecting the drug and alcohol testing industry;
- **To inform** its members of issues affecting their businesses through newsletters, legislative alerts and meetings;
- **To collect** and disseminate information on drug and alcohol service and product providers through a national directory distributed to business and the general public; and,
- **To actively cooperate** with other entities, organizations, and service providers involved with or affected by drug and alcohol testing on common interests and concerns, including but not limited to, substance abuse professionals, substance abuse program administrators, employee assistance professionals, Medical Review Officers, testing laboratories and employer trade associations.
